Service Description
1800 My Options is a service of Women's Health Victoria and is supported by the Victorian Government. We provide confidential, pro-choice, non-judgemental information and referral for Victorians looking for a sexual or reproductive health service including termination of pregnancy. 1800 My Options guiding principles include providing all Victorians with: A non-clinical and non-judgemental service; Centralised and comprehensive service information; Referral to relevant, trusted clinical, support and counselling services; Non-preferential referrals, based on each woman’s needs and location; Coordinated and interconnected approach to service delivery. 1800 My Options will not provide medical, legal or financial advice or counselling to women as part of its service. 1800 My Options is a women centred service, established to provide information and referral to meet individual sexual and reproductive health needs.
