Service Description

Mambourin promotes independent living by offering employment, education and training services to adults with a disability. Mambourin operates Pre-Vocational Programs, including a horticulture program with a small nursery where participants learn horticulture practices that result in market stock. Water-wise plants such as cacti and succulents are grown, as well as a wide range of native and ornamental plants, which are sold to members of the community at a discount cost. The nursery is opened to public from 9am – 3pm Monday to Friday. VCAL traineeships are available through Mambourin. A school-based apprenticeship or traineeship (SBAT) is an apprenticeship or traineeship undertaken by a student enrolled in a senior secondary program (VCE or VCAL), with at least one day per week timetabled to be spent on the job or in training during the normal school week. An SBAT combines part-time practical experience in the workplace and recognised, structured training with a Registered Training Organisation. Courses offered at the Derrimut Training Centre: - Warehousing Operations Certificate II- Warehousing Operations Certificate III- Horticulture Certificate II
