Service For

Disability

Service Area

Brimbank and surrounding areas

Hours

Monday - Fridays, 8.30pm to 4.30pm

Service Description

Scope provides flexible, ongoing personal support and case management to link adults and young people 18+ yrs with disabilities into community based day programs. The day program provides social, recreational, pre- vocational, educational, and employment activities. The program encourages people to participate in various recreational activities in order to develop relationships with other members of the community and to increase self-esteem and confidence.
