Service Description

Lesbian, Gay, Bisexual, Transgender and Intersex Liaison Officers (GLLOs)

style="font-size: 1.17em;">Overview of LGBTI Liaison Officers

class="wysiwyg-normal">Victoria Police has appointed a number of lesbian, gay, bisexual, transgender and intersex Liaison Officers (GLLOs) across the state. The GLLO Mission Statement is to contribute to the creation of mutual trust between police, lesbians, gay men, bisexuals, transgender and intersex persons so they have increasing confidence in police through the provision of fair and equitable policing service. The GLLO's provide a contact point for LGBTI community

members and provide advice, assistance and recommendations to Victoria Police on the policing needs of LGBTI people. GLLOs demonstrate support for the community through attendance at

a range of events. GLLOs are available to attend and present to social and support groups on the role of GLLOs and how police and the LGBTI community can work together. To find your nearest GLLO's contact
