**Service Description**

An exciting performance space and vibrant community centre – all under the one roof. We're home to an exciting line-up of quality performances, exhibitions and activities. The Bowery Theatre offers a state-of-the-art performance facility in Melbourne's west. The versatile venue offers a 202-capacity seating design and stage relationship which makes it an ideal space for performances and events that are intimate and engaging. Visit: [Hiring @The Bowery](#) Creating a connected, vibrant and creative community

SEE

IT View an array of bold performances including cabaret, dance, music and theatre for young and old.

DO IT Get involved in youth events, art for children and families, music classes, dance workshops and more!

MEET Connect

with people in your community! We're a meeting place for community groups to share their stories, food and culture. Come and meet old and new friends. Click
