Service Description

Referrals can be made to RCH Mental Health by completing the referral form
https://www.rch.org.au/uploadedFiles/Main/Content/mentalhealth/MH_Referral_form.docx>Mental Health Referral Form
The Intake Team is the central contact point for most mental health referrals and enquiries about Mental Health. The Intake Team clinicians (mental health professionals) work out how best to respond to your query. If they are the best service to help you they will decide about the urgency of the referral before offering an initial appointment. RCH Mental Health provide information about other child and youth mental health services (where appropriate) and education and training sessions for referrers. Under 15 years only
