Service Description

Equinox Gender Diverse Health Service is Australia's first and only trans and gender diverse health service. Equinox offers bulk billing general Practice services to the trans and gender diverse community where they can access a safe inclusive space and quality general practitioner services. Services include General Practice healthcare, sexual health, hormone initiation and management, Pre-Exposure Prophylaxis (PrEP) and counselling. Existing Patient?To book an appointment, call reception on 03 9416 2889 or book online below. When booking online, please make sure to select a Trans and Gender Diverse GP from the drop-down Practitioner menu. [BOOK ONLINE](https://healthengine.com.au/book/63721) If you are a new patient, call reception on 03 9416 2889 to arrange an initial appointment.
