Service Description

Healthy Minds provides counselling services for individuals (adults, adolescents and children), couples and families who experience an extensive array of psychological problems.

Your life can be significantly effected by problems like stress from work or study; feeling unmotivated; anxiety; low mood; relationship issues; coping with injuries or illness or experiences of trauma. Addressing these issues is essential to maintaining a fulfilling and enjoyable life. The fully-qualified and experienced psychologists at Healthy Minds can help you develop the skills needed to manage life stressors and promote good health. The 4 Steps to See a Psychologist
